A Quality Sign and Screen Printing accepts artwork created in most professional graphic applications on either the PC or Macintosh platforms. For multicolor Logos, vector art created in Adobe Illustrator is preferred. CorelDRAW files should be exported as Adobe Illustrator format (ai) with all text converted to curves. We DO NOT accept native CorelDRAW files any longer.

- Vector art can be contained within the following formats: .ai, .eps, .pdf
- Raster art files must be provided as .psd, or .tiff, with transparent background. (Any raster format must be at minimum 300 dpi, set to size needed for printing)

If artwork supplied requires typesetting, changes, touchups, or does not meet A Quality Signs embroidery specifications, we reserve the right to modify the artwork and charge accordingly. Custom artwork will be billed at \$95.00 per hour.

A Quality Sign and Screen Printing owns all screens, films, & separation files for output.
